

FAMILY HISTORY FORM / GENETIC COUNSELING AND PRENATAL DIAGNOSIS PROGRAM

MOTHER OF BABY:

Name _____
 Date of birth _____ Age _____
 Occupation _____

FATHER OF BABY:

Name _____
 Date of birth _____ Age _____
 Occupation _____

Although most babies are born perfectly healthy, some are born with certain birth defects. Knowing this ahead of time can improve the pregnancy outcome and offer parents important options. The following questions will help us learn about your family history and any increased likelihood of birth defects. We would like to assure you that this information will be kept confidential. (Please CIRCLE your response to the following questions)

Will you be 35 or older when the baby is due? Y N

Have you been exposed to any of the following during your pregnancy:

medications?	Y	N
insulin?	Y	N
anti-seizure medication?	Y	N
street drugs?	Y	N
alcohol?	Y	N
